SPH R Appreciation Society: Packages of the month

Malcolm Gillies <malcolm.gillies@unsw.edu.au>

12 February 2024

tidyverts

- What is it?

- What's great?

- What sucks?

- How does it work?

tidyverts: What is it?

- `tsibble`, `feasts`, `fable`

- Timeseries comes to the tidyverse

- https://tidyverts.org/

tidyverts: What's great?

- tidyverse integration

- Automation

- Visualisation

- Fit multiple series, models simultaneously

- Friendly, responsive development team

tidyverts: What sucks

- Anything that's not automatic can be harder

- Some methods not implemented, need to go back to `ts` etc.

- Occasional bug

tidyverts: Intros and tutorials
